Dear Team,

It is to inform you that the representatives of **Devi Sansthan** have submitted a proposal to implement the **ALfA (Accelerating Learning for All) Program** in **10 Government schools** in **NTR District**. Out of these, **5 schools will be selected as treatment (experimental) schools** and the remaining **5 schools will serve as comparison (non-experimental) schools**.

In this regard, the team from Devi Sansthan has requested the district to identify and provide a list of **low-performing schools** based on the **GFLN assessment results of the previous academic year**. The organization will provide training to the teachers of the selected treatment schools and implement the ALfA Program. The impact of the intervention will be assessed and demonstrated after **45 days** of implementation, following which the future course of action will be discussed.

Therefore, the **District Educational Officer (DEO), NTR District** and the **Additional Project Coordinator (APC), Samagra Shiksha, NTR District** are requested to issue the necessary permission to **Devi Sansthan** for implementing the **ALfA Program** in the identified schools of the district.
