Founder of Dignity, Education, Vision International
India

Dear Dr. Gandhi,

It is with great admiration and gratitude that we present to you the “Shining World Caring Award” for nurturing education, bringing literacy to the people. This Award is presented in recognition of your exemplary vision to improve the lives of women providing equal opportunity, prosperity and dignity. Your compassion heralds a new era of empathy and community support, uplifting the less fortunate into a brighter and better future.

Recognising the importance of education to raise living standards and eradicate ignorance, you have been at the vanguard of change in rural education. Since you launched the Global Dreams Literacy Mission (GDLM) in 2015, over 800 women from Karauni Village in Uttar Pradesh State have become literate. With assistance from other educators, you designed the Global Dreams Toolkit that includes 30 carefully selected storybooks, plastic letters, tactile boards and pictographic flashcards. Women trained in the method teach other women thereby multiplying its effect ensuring even greater success rates. Your other noble endeavours, Dignity, Education and Vision International help to finance the literacy project. Going forward, GDLM will continue using this highly effective, low-cost method to educate more village women in Uttar Pradesh. We pray your pioneering method will be adopted all over India and the world, providing hope and the promise of an enriched life.

For bringing respect and dignity to villages, for brilliant design skills, and for your creativity and wisdom, we hereby applaud and celebrate the boundless caring deeds of Dr. Sunita Gandhi, Educator Extraordinaire. May Heaven always shield you and all involved.

With Great Honour, Love and Blessings in God’s Grace,

Supreme Master Ching Hai
